

PCA Parade Special Concours Invitation

Concours 101

Saturday July 7 at 5 PM and Sunday July 8 at 7 AM in the Redbud Room

A must attend seminar for first time concours participants. A briefing on the protocol, rules and what to expect will be presented along with handouts. This session will help reduce some of the intimidation of what will be a fun experience. A review of some helpful preparation techniques will also be discussed. This will be presented by Pat Yanahan from the Chicago Region who has been both a long-time Parade judge and a multiple Concours winner. Additionally, he and Michael Grove will be available for one-on-one review of your Porsche at your preparation location both Saturday and all day Sunday for individual coaching. Send an email to Pat at pyanahan@comcast.net to set up an appointment.
