

Trailer & Truck Information

If you plan to trailer or ship your car, please review the important updates below. The Oaks Golf Course parking lot is located 1 mile from the main entrance of Tan-Tar-A. Please review the map for designated trailer & unloading areas and take note of the reserved areas.

Trailer Parking

Please contact Kristen Holmes at kristen.holmes@conferencedirect.com by June 26 if you are planning to park a trailer during Parade week. Trailer parking is at The Oaks Golf Course parking lot and is available July 5-15. A limited number of spaces are available, and your trailer must display your entrant number and the appropriate trailer window tag once registration opens on Sunday. Trailers cannot be parked on the Tan-Tar-A property.

Transport Trucks

If you are using a transport truck to ship your car, please contact Kristen Holmes at kristen.holmes@conferencedirect.com by June 26 and provide your delivery and pickup dates. Due to the property layout of Tan-Tar-A, transport trucks are not able to navigate the roads and turns within the resort **and will not be admitted through the front gate.**

Advance arrangements must be made to unload and pick up cars in designated area of The Oaks parking lot.

RV

As a reminder, RVs are not allowed on the Tan-Tar-A property due to the narrow roadways. RV reservations can be made at the Osage Beach RV Park. For more information, click visit, <http://osagebeachrvpark.net/rates-and-reservations/>
